After the heavy general selling of the last few days, the cotton market was much less active, and prices ruled steadier on covering for over the week-end. The talk around the ring suggested no material change of sentiment, but the technical position of the market had evidently strengthened, and market had evidently strengthened, and exerted its having 200 feet front on Hiawatha stearine, 14c. One of the most pretentious dwell-the movement on brought out very

the obstacles to importation are against any weakness originating in that quarter, and after opening 2 points lower to 2 points higher the market here soon turned steadier. Closing prices were at practically the best point of the morning. Mail advices from English trade sources estimate that Liverpool will have to take between 45,000 and would not 50,000 bales of cotton weekly from this country during the balance of the sea.
